

6th Europe Region Physiotherapy Congress

5-6 November 2026

Guidelines: ePoster session

Please read this information carefully to prepare properly for your presentation at the
6th Europe Region Physiotherapy Congress

ePoster format

Your ePoster must:

- PowerPoint slides must be created using this template. Please do not modify the template size (52.008 cm wide x 85.011 cm high), as this is required to ensure correct display on the screens.
- Save the file using your first name and surname, in PDF format, with a maximum file size of 2 MB.
- Preferably use a plain background in a colour that provides sufficient contrast with the text.
- Use clear, easy-to-read fonts such as Arial, Verdana, Tahoma or Calibri, in a colour that contrasts well with the background.
- The title must be in CAPITAL LETTERS and bold, with a minimum font size of 26 pt; the recommended size is 32 pt.
- For the remaining text, use a minimum font size of 18 pt; the recommended size is 26 pt.
- Images: Use the Insert Picture from File command. Avoid copying and pasting images, as this increases the size of the presentation. Reduce the image size before inserting it into the slide.
- PowerPoint® animations and transitions are not permitted.
- Do not compress the file (ZIP, RAR, etc.). Please ensure that all text, graphs and images are clear and easy to read.

Find attached **the Congress ePoster template** that we strongly recommend when preparing your ePoster to ensure a consistent format throughout the Congress.

You may use the official Congress poster template or your own institutional template.

Please include the Congress logo or the wording: **“Presented at the 6th Europe Region Physiotherapy Congress”**

We recommend including your name, institution and contact details on your ePoster so that participants can contact you regarding your work.

You may also include your professional social media details.

Congress hashtag: **#ERPhysioCongress2026**

World Physiotherapy community: **#GlobalPT**

Uploading your ePoster

To submit your poster please click in the individual link you will receive and follow the instructions to upload your final PDF - maximum file size of **2 MB**.

The platform will remain open for ePoster submissions until October 24th.

Please make sure your final ePoster is uploaded before this deadline.

Please **do not send your ePoster by email** unless specifically requested by the Technical Secretariat.

Presentation at the Congress

ePosters will be displayed on digital screens in the designated ePoster areas.

Presentations must be delivered in English.

Please arrive at the ePoster area 10 minutes before the scheduled start of your session.

During the session, each presenting author will have 6 minutes to present their ePoster, following the order established in the Congress programme.

The session chair will coordinate the presentations and discussion.

Your ePoster will also be included in the Congress App.

For any questions regarding your ePoster presentation, please contact the **Congress Technical Secretariat (physiocongress@alocongress.com)**.

We look forward to welcoming you to the **6th Europe Region Physiotherapy Congress**.
